

Property Parcel Data Advisory Board

1/11/17

Attendees

Chris Cochran
Doug Farnham,
Peter Fellows
Randall Otis
Kevin Viani
John Adams
Leslie Pelch
Ryan Cloutier
Andrew Mallin

Agenda and Notes

1. Follow up on the budgeting and financial logistics item started last meeting
 - a. AOT Deputy Secretary email went out to partners 12/12/16. Currently only ACCD has provided a financial point of contact.
 - b. Board requested to be copied to ensure the proper contacts were reached. Viani will distribute to group.
2. Legislative Needs
 - a. The board anticipates no need for changes to the legislation currently
 - b. The program is interested in exploring opportunities to centrally store digital mapping data with the surveying community over the next year to understand if this would be legislation worth pursuing in 18
3. Overview/Status of the VTrans project
 - a. Moving forward with RFP posting with a goal of January 23rd
 - b. There was discussion about DII oversight and whether the existing ROI report could serve as the independent review.
 - c. ACCD arranged a meeting with VTrans and DII 1/12/17 [currently under review with DII]
4. Overview/Status of Program
 - a. Have secured a technician position for the program
 - b. Feeling pressure on the schedule delay
5. Development of a mission statement
 - a. Was found not to be necessary as mission is outlined in 19 V.S.A. § 44
 - b. ACCD will develop a Board webpage on the existing program site

Next meeting 4/12/17
