### **Announcements**

Recognition that Vermont's Statewide Parcel Project received a Geospatial Excellence Award from the National States Geographic Information Council (NSGIC) in 2020.

### **Parcel Program Update**

Tim Terway (VCGI) provided an update on the Vermont Parcel Program. Two years have passed since the Parcel Project (2017 - 2019) concluded. New web-based applications built using parcel data from the Agency of Natural Resources and the Department of Taxes were highlighted. A recap was provided on parcel data mapping status, including areas for improvement.

### **VTPIE Update**

An update was provided on the new Vermont Property Information Exchange (VTPIE). This integrated system from the Department of Taxes, Division of Property Valuation and Review will provide both historical and current Grand List information with GIS integration.

### **Addition of VSLS Surveys into Vermont Land Survey Library**

Motion: Use available funding towards adding a suite of land surveys from the Vermont Society of Land Surveyors into the Vermont Land Survey Library. Motion was introduced by Peter Fellows (VAPDA). Motion seconded by Randy Otis (VSLS). Motion passed unanimously.

### **Next Steps**

A follow up Parcel Advisory Board meeting was schedule for early 2022.
